THANK YOU!

Many of you came along and supported Ellie Dowie, Megan and friends at the Coffee Morning last Saturday - this was much appreciated by Ellie and her family. The event raised £1500 for the charity Abanna. Ellie and Megan are travelling to Uganda with the Rainey Endowed School in association with the Abaana charity. We wish all team members well as they head off to Africa this summer.

FAREWELL CANON WELSH

This past week we said 'Goodbye' to Canon Colin Welsh as he led his final assembly in our school. We have appreciated Colin's support of our school over the past number of years. He has been a consistent presence in assembly and his talks have always been relevant and enjoyable for the children. We are also grateful to Colin for his prayerful support of our school, our staff and all our children. We will miss him very much but wish him well in his new church.
