ELECTION OF PARENT GOVERNORS

The process to elect new governors has begun and we would like nominations for parent governors. If you would like to nominate a parent, please call into school for a nomination pack.

Just to let you know, governors are not education experts; they work in partnership with school staff to provide the best possible standards of education. A good governor is someone with:

- An ability to work in a team
- An interest in education and young people
- Patience, energy, enthusiasm and spare time
- A willingness to listen, to learn and to undertake training

You will see on the nomination form, you must propose the parent and have someone to second your proposal. The person you are proposing must be informed.

All nominations must be received by Mrs Richmond by 2pm on Friday 22nd March. If we receive more than two nominations, a vote will take place on Tuesday 26th March.

Our present parent governors are: Mr Timothy Dowie (no longer eligible) and Mrs Jan McKeown, who have faithfully served the school for many years. To them both, we extend sincere gratitude for their valued contribution.
