CHINESE YEAR OF THE SNAKE

We will be finding out about how Chinese people celebrate the New Year on Friday 31st January. This year, it is the year of the snake and we are asking our children to create a snake at home, Please note, you can make a snake in any way you wish!

The snakes can be brought to school on Friday 31st January and we hope to have a very special visitor to judge the best in each class and give us some information about this special celebration.
