RELAX AND RENEW!

As part of our Take Five Programme, we are organising a special day on Friday 28th March. As well as this being a Dress Down Friday, during the day, Mrs Vicente is going to lead each class and give the children and staff little tips on how we can relax, manage any worries we may have and improve focus. Huge thanks to Mrs Vicente for volunteering to lead this event.

Each child will need to bring a little blanket - thank you!
